Funding is available now. The purpose of the IWT Program is to assist employers in training currently employed workers in an effort to keep businesses & workers competitive. Private sector South Carolina employers located in the counties of Clarendon, Kershaw, Lee & Sumter faced with changing skill requirements caused by new technology, retooling, new services / product lines & new organizational restructuring or as a part of a layoff aversion strategy may be eligible for IWT assistance. Consideration for training funding will be based on the criteria noted above & the following types of training: technical & computer skills, basic academic skills, & industry or company specific skills, some certification training (day care, forklift operator, etc.) & soft skills (leadership, teamwork & management). Expected priorities are applications which show a significant upgrade in employee skills & or wage increases, significant layoff avoidance strategies & businesses who have not received an IWT agreement during the prior program year.

You may request an IWT application by email to Hope Turner at hturner@slcog.org, Areatha Clark at aclark@slcog.org, or Gwen Davis at gdavis@slcog.org. Also, you can access the information at www.slworkforcedev.org. Interested employers must forward an IWT request to Hope Turner, WD Finance Coordinator, Santee-Lynches Regional Council of Governments, Reference: IWT Program, PO Box 1837, (36 West Liberty St.), Sumter, SC 29151, by 5:00pm, Friday, March 27, 2009.

Activities funded by the Santee-Lynches Workforce Investment Board afford equal opportunity to the public.
